Join us for the *Promoting Healthy Weight* colloquium, which is **FREE** for both webcast and onsite participants. This is the seventh colloquium of the biannual *Promoting Healthy Weight 2.0* series. The Spring 2017 colloquium will focus on food security and hunger. Colloquium presentations are intended for family members, practitioners, researchers, and students. Approval for continuing education credits will be submitted for Registered Dietitians, Certified Health Education Specialists, and Registered Nurses.
